Gift Aid

If you are an income tax payer then the Parish Hall can benefit by recovering basic rate tax from the Inland Revenue on your donation (currently worth 28% of the donation), and this does not cost you anything.

If you are a higher rate income tax payer you can recover the difference between the basic rate and the higher rate on your donation when you make your annual tax return.

We do remind you that you must be paying income or capital gains tax for the donation to be eligible and the Trustees able to claim the refund.

Will

To make a bequest in your Will, the form of words is: "I bequeath to Bosbury Parish Hall Charity Number 520938 the sum of free of tax and duty to be applied to the general purposes of the said charity. The receipt of the Honorary Treasurer shall be sufficient discharge of the bequest to my executors or trustees."

I am **content/not content*** for Bosbury Parish Hall Trustees to recover basic rate tax on my donation.
